## Mooniek's Popular Presentation

### HOW TO STRATEGICALLY LEAD OTHERS INTO THE FUTURE LIKE A HERO!

Through spell-binding tales from her 5-year sailing journey on the oceans to insightful stories about her hero Captain Cook, Mooniek brings to life the keys and concepts for effective and strategic leadership. Focusing on personal leadership, attendees will learn how to set and follow direction for themselves and others, commit to innovative thinking, contribute to inspiring visions, and where to not take responsibility. Mooniek will also cover these applicable takeaways:

- The 5 indispensable elements that accelerate personal leadership
- The 4 wicked ways to create obstacles
- The 1 key to increase day-to-day impact

“Many thanks for a FANTASTIC PRESENTATION. It was fascinating and I am sure you noticed that you ENCOURAGED lots of THOUGHT and great conversation! Thank you for all of your time!”

*Theresa Wheat,  
Sacramento NAPW Chapter President*

### THE THREE QUALITIES OF AN EFFECTIVE LEADER: FOR WOMEN

In the past, women often have taken a lesser role in the workplace and have not invested in their own female power. That is changing. Women are stepping up in every industry and every walk of life. It is empowering to see, yet we don't always know how to get there and how dive into our own personal power and our own leadership style. In this presentation you will learn the 3 qualities of effective female leaders. You will see the qualities of great female leaders and how you have these qualities too. You will own the leader inside you and will know how to express it to the world with power.

- Three qualities of effective leadership for women
- How to own the leader inside you
- How to express yourself to the world
